## **JERABEK ELEMENTARY AFTER SCHOOL ENRICHMENT GENERAL INFORMATION**

Welcome to Jerabek's School Enrichment and the exciting programs offered at our school before and after school. Please refer to the session spreadsheet and [www.jerabekffo.org](http://www.jerabekffo.org) under the Enrichment Tab.

- Please inform your child's teacher (especially if TK or K student) if your child is attending a program.
- Please send a snack or lunch for your child. At the start of each program, your child will have a supervised snack or lunch break by the program instructors. If your child has a food allergy, please let the instructor know by the first class meeting.
- All TK and Kindergarteners will be picked up by the program instructors from their individual classrooms and walked over. \*\*The only exception is Mad Science of San Diego, so you will need to coordinate with your child's TK or K teacher to have a sibling or parent escort the child to this class.
- At the end of the program class, your child will need to be signed out promptly from the assigned classroom. No child will be allowed to leave the program unescorted. If your child is going to SAY or Klassic Kids after the program, please inform the instructor at the first class meeting, and they will insure your child safely arrives at the correct destination. Each individual program is responsible for you child while in their care. The school office is closed.

If you have any questions, please contact Cindy Brentnall or Magali Sparks at [JerabekEnrichment@gmail.com](mailto:JerabekEnrichment@gmail.com).
