

Welcome to Jerabek's After School Enrichment, and the exciting programs we offer at school. These programs will expose your child to new learning and athletic opportunities on campus, and they are FUN!

The current programming spreadsheet and all current program flyers can be accessed at www.jerbekffo.org/enrichment.

This spreadsheet includes the current program scheduling and registration information.

GENERAL INFORMATION:

- Please inform your child's teacher (especially if a TK or K student) if he/she is attending a program and which one.
- Please pack a snack or lunch for your child. Immediately prior to the start of all after school programming instruction, your child will have a supervised snack or lunch break by the program instructors. If your child has a food allergy, please inform the instructor at the first class meeting.
- All TK and Kindergarteners will be picked up by the program instructors from their individual classrooms after school and walked over the program classroom.
- At the end of the class, your child will need to be picked up promptly from the assigned classroom. No child will be allowed to leave the program unescorted. If your child is going to SAY or Classic Kids after the program, please inform the instructor at the first class meeting, so they can make sure your child safely arrives at the correct destination. Each individual program is responsible for you child while in their care. The school office is closed.

If you have any questions regarding a program, please contact each program directly.

For general information questions, please contact FFO Jerabek Enrichment Coordinators Cindy Brentnall or Magali Sparks at JerabekEnrichment@gmail.com.
