

WEIRD SCIENCE

Join Ben Hian (from Radical Reptiles and Friends) for an early science experience.

Using chemistry to make experiments, the mad scientists will discover the magic of physical science through experiments and investigations including water cubes, windbags, slime, volcanoes, motorized color wheels and crystals. *If you have taken this class before, many new projects as well as some old favorites will be enjoyed.*

This class is appropriate for both boys and girls in grades TK-4th .

I will pick up TK and K children from their class

Weird Science will run as a twelve week session on Wednesdays from 3:15 to 4:15.

The session will begin on Wednesday, September 19th and end Wednesday, December 19th.

Please note no class will be held 11/14 and 11/ 21. *Class will meet in room B19.*

The charge for the session is \$140.00.

To sign up for this class, please email Ben Hian at benradreps@att.net and bring a check or cash (payable to Ben Hian) and the registration form to the first class.

Any questions please call Ben Hian at 760-315-6000.
